Custom Design Request

Have an idea for something you'd love to see reimagined in Lyeinani style? This is where we make it happen.

To keep every custom piece true to Lyeinani's quality and craftsmanship, I only take on custom requests based on designs I've already created — think of this as a chance to make one of my existing styles truly yours.

Once you've selected a style and shared your vision, you'll submit a $60 assessment fee. This isn't just a formality — it's how I make sure every request I take on gets the time and attention it deserves. I review every submission personally, and I'll follow up with you if I approve or reject with justification.

Your ideas are yours. Anyth ed or repurposed for future designs.
